

BECKFOOT SCHOOL OPEN EVENING

Thursday 15 September 6.00pm - 8.30pm

Our School

Students are at the heart of everything we do at Beckfoot. They breathe life into our community. We focus on a few key priorities which ensure each individual student receives the support and challenge they deserve. Our four key priorities are:

The progress each individual learner is making, with teaching that excites young people and inspires them to be inquisitive, ambitious and confident.

A curriculum that is relevant to each individual freeing them to thrive academically and socially. Our extra-curricular activity is crammed with opportunity to extend experience of the Arts, PE and cultural activity.

Knowing all our students personally matters to us. We want them to enjoy their school and, if they need it, we support them with their behaviour, attendance, learning or any other challenge they face.

We are proud of our deeply engrained culture of leadership. Students are challenged constantly to make a contribution to the wider life of the school. Spiritual, moral, social and cultural development is what makes them the rounded adults they become.
