

Curriculum Information Year 2

Autumn 2022

I hope you all had a lovely Summer and it's great to see the children back to school as we have lots of exciting work and activities to look forward to over the autumn term.

During the first half term we will be focusing on History, learning about the seaside, what it was like in the past and comparing to now. This links to our planned visit to the Lytham St Annes on Tuesday 20th September. This will also compliment to our science topic learning about plants and animals are adapted to different habitats.

Year 2 we will be having PE on Wednesdays and Thursdays so please could children come to school in their PE kits on these days.

We will be working in different mediums in art, such as charcoal, painting and printing so it would be really helpful if your child could bring an old t-shirt to wear during these lessons, that can be kept in their lockers, to save their new uniform.

Where possible we do try to get outside for playtime and learning, so please ensure that your child has a rain coat and of course a water bottle.

Maths

Place Value

Recognise tens and ones.
Count objects to 100 by making 10's.
Use a place value chart.
Partition numbers.
Use number lines to 100.
Compare and order numbers.
Count in 2,5,10 and 3's.
Write numbers to 1,000 in words.

Expanded noun phrases.
Use co-ordination (or, and , but) and subordination (when, if, that, because) to join clauses.
Question and exclamation marks.

Text types

Recounts
Non-chronological reports
Narrative writing

Science

This half terms unit 'Living things and their habitats' links with our history topic based on the seaside.

During this topic, we will be looking at:

- identify and name a variety of plants and animals in their habitats, including microhabitats.
- describe how animals obtain their food from plants and other animals, using the idea of a simple food chain, and identify and name different sources of food.

ICT

We will be continuing to use the Purple Mash software and covering the units below. Your child has their own log on from last year to access from home so they can share any learning that they particularly enjoyed.

- Online Safety.
- Making music.

History

We will be learning about the seaside and comparing the past to now.

Our focus then will be on "What was it like then and now?" Comparing seaside visits now to how it was in the past. We will be using primary and secondary sources to find out about the past as well as our exciting trip to Lytham St Annes. The children will also use timelines to demonstrate chronological understanding.

Geography

Name and locate the world's seven continents and five oceans.

- Begin to describe physical and human features of the seaside environment.

If anyone has any photos or postcards of places the children have visited around the world please can you send them in or email them for the children to locate on our class world map

Art/DT

Baking/Cooking

Smoothies and fruit salads using exotic native fruit. (Kiwi, nectarines, Honeydew Melon, boysenberries etc)

Landscape Drawing

We will be using charcoal to create landscape drawings of the seaside, using shading techniques to create tones.

MFL (Spanish)

Exploring the seaside

Buying food at the seaside.

Comparing and describing the seaside.

PE

Over the term we will learn skills linked to these sports;

Athletics, Hockey and Tag Rugby

These sessions will be on a **WEDNESDAY** with a sports coach and **THURSDAY** so please remember to send your child to school in their PE kit on these days!

Music

Our music unit this term is called "Music that makes you dance" This will give children the chance to listen to, compose and perform music in a range of styles exploring how music makes us feel and we will be sharing favourite artists and songs.

PSHE

What keeps me healthy?

Pupils will learn about;

- the importance of physical activity, sleep and rest.
- The people who help us to stay healthy and well.
- Basic health and hygiene routines.

RE

Our RE day this term is looking at;

How is new life welcomed?

Pupils will learn how babies are welcomed into families, for example baptism.

Homework

Reading - Children are expected to read at home for 10 minutes at least 4 times a week and we would really appreciate it if you could make sure your child's reading books are in school every day and kept in the provided folder. Books will be changed on a particular day and the children will be made aware of this during the first week.

Spelling – The children will be using Spelling Shed app to practise their weekly spellings at home which will be sent out on a Tuesday with spelling test being carried out on the following Monday.

If you have any questions please feel free to email me or catch me at pick up/drop off
year2@hardenprimaryacademy.co.uk

Kind regards

Mrs Lofthouse, Mrs Metcalfe and Mrs Heseltine
