

Wednesday 16th November 2022

Dear Parent/Carer,

Year 1 additional 'parents evening' report.

I would first like to thank you for attending parents evening last week and coming to discuss your child's progress. These sessions give us a chance to discuss your child's happiness in school, strengths in learning and areas to develop and work on. The sessions move quickly and following some feedback, we would like to ensure you have a true reflection of your child's strengths and what needs to happen next in their learning journey.

Miss Cotton has prepared a brief additional report to supplement the information you discussed at parents evening. This should provide you with a fuller picture about your child's learning and how you can best support them. This will be given to your child in an envelope today, so please look out for them.

I have also included as a separate attachment, 'Year 1 expectations' so you are fully aware of what the end of year expectations for this year group are. This information will be further supplemented by regular 'Marvellous Me' messages that focus on some of the Maths and English strategies we use in the Year 1 classroom.

We hope that you find this information useful, however, if you think an additional conversation with Miss Cotton and I together may help, then please email year1@hardenprimaryacademy.co.uk and we will arrange a further appointment.

Thank you for your continued support.

Best Wishes,

Mrs Leanne Ruddock

Head of School
