Dear Parents/Carers,

As the academic year is coming to an end, we are in a position to be able to inform you of the staffing arrangements for the next academic year, 2023 – 2024.

Careful consideration has again been made regarding the staffing for the next academic year. We are constantly thinking about the needs of the children and the skills of the teachers and where they would be best placed to give all children the best opportunities possible.

- Mrs Bott will return from maternity leave in the Spring term so Mrs Ruddock will continue to cover the SENDCo role until she returns.

We would like to wish Miss Dawson all the best for the future as she moves on to another adventure over the summer.

Mrs Hestletine will retire after 25 years at Harden Primary School. We would like to thank her for her long service and dedication to the school and wish her a long and happy retirement.

Transition day will take place on **5<sup>th</sup> July 2023** and children will enter and leave school by their new classroom doors. The class teachers will all visit their new class before then, to have a chat or read a story. All teachers will be available in their classrooms straight after school at 3pm if you wish to have a chat with them.

Yours sincerely,

Mrs Kirsty Hutchinson  
Executive Headteacher

Mrs Leanne Ruddock
