

Friday 21st July 2023

Dear Parents/Carers,

As the school year ends, we remember the great things that have taken place at Harden Primary school this year and how many amazing opportunities we have experienced. We have enjoyed school trips and residential visits, parent events, topic and theme days, competitive sporting activities, exciting lessons to name a few and we are sure that your children have made many happy memories.

We are very proud of all the children who have shown true resilience and determination in their learning and watch them demonstrate the Six Ways to Shine each day. The statutory assessment results demonstrate the amazing progress and attainment the children have achieved in their learning. 100% of children in Year 1 achieved their Phonic Screen check result, and all the indicators in SATs for both KS1 and KS2 are well above the national average in all areas. Follow this link to our website which shows the school results.

Finally, we would like to thank all our supportive parents, the governors, our PTFA and the whole staff team for the hard work, commitment and effort they have given to the school this year.

This year we say goodbye to Mrs Heseltine as she retires after 25 years' service at Harden Primary school and Miss Dawson in Year 4, as she moves on to new adventures working with children with SEND; we wish them lots of luck in the next steps of their career and thank them for all the hard work whilst they have been with us here at Harden.

We would also like to thank the children for working so hard this year, it is a pleasure to spend each day with such wonderful children. We would like to wish you all a happy and safe holiday and look forward to working with you next academic year to continue our journey together.

Best wishes,

Mrs. K Hutchinson
Executive Headteacher

Mrs. L Ruddock
Head of School
