

Dear Parents/ Carers,

Summer Reading challenge

Reading is at the heart of all learning within our school, and we love to find ways to motivate and inspire children to read different books for pleasure. The 'Summer Reading Challenge' is a national annual initiative, delivered by libraries in partnership with The Reading Agency, to encourage 4- to 12-year-olds to continue to read throughout the summer holidays. Each year we are proud that a large number of our children take part in the challenge and we like to celebrate them completing the challenge in school as well. This year, each child that completes the challenge (bringing their certificate in to school) will be invited to a 'Book club afternoon tea' in the staff room, to talk about the books that they have shared over the summer. The children have until **Saturday 10th September to complete the challenge** at the library and then bring their completion certificates to school before **Friday 16th September 2022**.

This year's theme, in partnership with the Science Museum Group, will show children that science; invention and technology is all around us every day and will inspire them to be curious and get creative. Children will be given a Gadgeteers folder with stickers to collect; bookmark; kit bag; Gadgeteers science-facts paper game, and if 6 books are read; a Gadgeteers Certificate and Medal.

You can register free at any library within the Bradford district – all you need is a child's library card. Bradford Libraries has lots of activities for all children (and parents too!) to support Gadgeteers. Take a look at <https://www.bradford.gov.uk/media/7056/summer-reading-challenge.pdf> and find a great day out at your local library.

Thank you for supporting this challenge,

Mrs L Ruddock
