

Thursday 7th September 2023

Dear Parents / Carers,

Harden Beck Horticultural Society Show - THIS WEEKEND!

As I am sure you are all aware, this weekend is the local Horticultural Society show at The Showground. (See attached flyer).

All of the children in Years 1 to 6 who planted and took home a sunflower to grow before the summer are encouraged to enter their sunflower into either:

Class K303 Tallest Sunflower or Class K304 Largest diameter Sunflower.

All children in school have created an entry that will be sent in on their behalf. The entries for each class are:

- Reception – K292 An item made from waste
- Year 1 – K305 Decorated gingerbread man
- Year 2 – Make a Lego model of your own design
- Year 3 – K295 Make an animal from fruit or vegetables
- Year 4 – K306 Decorated gingerbread man
- Year 5 – K298 Photograph- The park
- Year 6 – K287 Poetry

The show tent will be open from 2pm and we hope to see you there!

Thank you for your continued support.
