

BECOME A PARENT GOVERNOR AT

There is currently **one** parent governor vacancy on the Local Advisory Board of the school. Parent governors are elected by parents of registered pupils at the school.

As the parent, carer or other person with parental responsibility for a pupil at the school you can stand for election and vote, unless you are affected by general restrictions preventing people from becoming governors (the list of restrictions is included overleaf).

If you are interested in being a parent governor, you may nominate yourself for the position.

Simply complete the attached nomination form and return it to the school by Friday 13th October 2023 at 3pm

If you put yourself forward and no ballot is necessary, following the deadline for nominations, you will be elected unopposed to serve as a parent governor.

If more parents want to become governors than there are vacancies, a ballot will be held. Ballot papers and details of the election process will be sent to all parents and carers eligible to vote.

You are invited to provide a statement to support your nomination as a parent governor (see the attached nomination form). If a ballot is held, this statement will be included on the ballot paper to help other parents decide who to vote for.

If you are elected as a governor, your term of office will be four years; however, you can resign at any time if required. If your child leaves the school you can continue as a governor until the end of your term of office.

Please note that being a governor brings considerable responsibility for the proper management of the school and the protection of children and, therefore, the successful candidate(s) will be required to complete a criminal records check.
