

Monday 4th December 2023

Dear Parents / Carers,

The Rota kids have been working closely with the “Butterfly Foundation” set in Malawi, which centers around improving the educational, health, and social and mental condition of all children.

Recently we have donated over 80 pairs of shoes to the children of Malawi as many children do not have shoes nor the money to buy any so often travel with bare feet. We want to say a huge **THANKYOU** for your donations. We have confirmation that the children have received the shoes and are so pleased with your generosity.

We would also like to take this opportunity to say a huge **THANKYOU** to those that filled a Rotary Box. We have received a total of 60 which will be put to great use across the community.

Which moves us onto our next project which is for our local community. We have decided to send out Christmas cards to the local nursing home to spread the joy, happiness, and love of Christmas to those around us! We have contacted the nursing homes involved who are delighted at this idea and we are so excited to get started.

If you wish to create a Christmas card, we ask that you leave the name blank as this will be filled in by a member of staff working in the nursing home for confidentiality reasons. However, a nice message inside would be appreciated as well as a lovely decorative picture on front of the card.

Rota kids have set the deadline for Christmas cards for **Wednesday 13th December** to allow the cards to be delivered to the Nursing Home. – The cards can be passed to Miss Roe or your class teachers.

As always, we thank you for your continued support,

Miss Roe & the Rota Kids.
